

## **Safeguarding Children a Basic Introduction**

### **Audience**

For those who need a basic understanding of safeguarding children and who work with children in statutory voluntary and private agencies, this included after school clubs, children's activity groups and church groups.

### **Aim**

- To help organisations to be aware of their duty of care.
- To introduce & maintain safeguards to children.

### **Objectives**

- Minimise risk of harm to children and young people.
- Create and maintain safe environments where children can enjoy rewarding and stimulating experiences.
- To provide a basic awareness of safeguarding. This includes signs, symptoms and definitions of all types of abuse, as well as organisational and individual roles and responsibilities.

**Course Length:** - Half day

in  
the  
spirit

enabling  
individuals and  
organisations to  
enhance their  
performance
